Anglers may fish for any or all of the following species - Snapper, Sweetlip, Pearl Perch, Mackerel (excluding Spanish Mackerel due to

fishery closure), King (yellow tail or black) and Whiting. Prizes will be awarded for the heaviest fish of each species over the two days. There will also be a 'Cook's Choice' award. Anglers fishing in Gamefish section are also eligible to claim Fun Fish prizes.

Boats are encouraged to return to Tangas on the Friday and Saturday nights.

RADIO SCHEDULES

All boats must have a VHF radio. The Schedules will be on channel VHF 81. In a situation where a boat is unable to contact Game Fish Base (GFB), they must relay through another vessel or mobile phone. GFB will also try at end of Sched to raise vessels on VHF 21. Failure to contact GFB on two successive Schedules may result in disqualification of that day's points. Boats must keep the airways clear for 10 minutes prior to the end of fishing so late hook ups may be reported to Game Fish Base.

SCHEDULE TIMES AND REPORTS

Schedule times: Friday and Saturday - 10.05 am, 12.05 pm, 3.05 pm and advise following information:

1. Boat Name.
2. Fishing report (Using "0,0,0" system. i.e. Strikes, Hook-ups, Captures/Tags). For all captures/ tags, report: Species, Angler's name and time of capture.
3. Position – using MBGFC Grid Chart, using grid referencing shown on the chart when referencing your location. Accurate location is important in the event of an incident occurring at sea.

All boats are required to report tagged Billfish immediately the fish is tagged to GFB advising the time fish was tagged together with anglers name, line class and Tag number. If unable to contact GFB, relay through another vessel.

If any vessel is unable to fish on any day, the GFB is to be notified by radio or by phone to Barry Parker on 0413 740 344, or Warren Meads on 0438 698 170.

Captures and tags not reported on radio Schedules or at the time of capture/tag for those captured or tagged after the 3.05pm sked each day may not be counted in the point scores and may not be eligible for trophies.

LOGGING ON/OFF

For safety reasons it is required that you log on and log off daily with GFB and that you get acknowledgement from GFB. When logging on details should include: boat name, number of people on board and notify GFB if fishing Light or Heavy tackle.

Boats can leave from their home ports on Friday and Saturday mornings but all tag cards, activity sheets and Sched sheets must be handed in to the Recorder at the MBGFC Clubhouse (on Moreton Island) no later than 7.00 pm on Saturday 04th March (regardless if overtime applied). All fish to be weighed must be presented to weigh master with complete paperwork.

A boat logging off with GFB before cease fishing will be deemed as no longer fishing from logoff time. A boat is permitted to log off for any reason (for example: if the boat has to return to port for repairs) and then log back on when ready to recommence fishing. Any fish caught during the time that the boat is logged off will not be eligible to score points.

WEIGH-IN

Weigh-in will be conducted at the MBGFC Clubhouse on Moreton Island between 4.00 and 7.00 pm on Friday and Saturday. Record claim fish must be intact.

No fish to be left at the weigh station and all carcasses must be gutted and disposed of away from the MBGFC camping area, the nearby beach

and anchorage area (otherwise the fish will be disqualified from points score and/ or trophy eligibility).

No points will be recorded unless each boat presents their angler's tag cards, activity sheets and Sched sheets filled in correctly for both tagged and captured fish – a boat's representative must be one of the registered skipper, crew or angler for that boat. These must be presented to the Recorder at the MBGFC Clubhouse no later than 7.00 pm on Saturday 04th March.

All tied point scores are decided by count back i.e. the winner will be the angler/team who scored their total points first.

The Tournament Committee reserves the right to inspect and test any or all the tackle used in the capture or tag and release to conform with GFAA rules. The decision of the Tournament Committee is final.

Alternative fishing will be decided by the Tournament Committee.

Tournament results will be awarded if a minimum of 4 hours of fishing is achieved. If due to bad weather the tournament is cancelled on both days it will be rescheduled.
